

Toilet Training with Tudor

Tuesday 13th February 10.00am—12.30pm

All children learn to use the potty or toilet at a different stage in their life. Most children start to show an interest in moving on to a potty or toilet at about two years old. If your child has a physical or learning disability they may not be ready to start until they are older

**For children and their parents—please book your space with
the Children's Centre**
