

# Preparing for Nursery

## Will your child be starting Nursery in September?

Running over the Summer Term, 'Preparing for Nursery' shares ideas from the Peep Learning Together programme to help you support your child's play and learning at home and improve your confidence and ability to support child's learning and development.

By valuing and building on what you already do these sessions will provide the opportunity to meet other families, and to raise and discuss common concerns - reducing the anxiety experienced by some families when their child starts Nursery.

Please speak to Jayne or Siobhan to find out more.

**Tuesdays 9.30am—11.00am**
