

Dear Families,

This week we have enjoyed reading *The Gingerbread Man*. Children have been reading and telling the story together, drawing pictures of the characters and writing their own versions of the story with help from the adults.

Some of the children didn't like the ending of the story and worked together to build a bridge so the gingerbread man could cross the river without getting eaten by the fox. This involved lots of conversation about feelings, actions and consequences as well as the placement of blocks during construction.

They have also enjoyed baking gingerbread people. Our Somerset recipe is below if you would like to bake together at home.
